- C. Vacation Carry Over Policy Change.  
**Administrator Kreklow reported on the item. The current policy allows staff to carry up to five days vacation time from one year to the next with written approval from the Administrator, and the carried vacation time must be used in the first quarter.**

**Prior to the COVID Pandemic, there has been exceptions to the policy due to bad weather or unexpected circumstances. For the first seven years of employment, most employees have only two weeks of vacation time. The COVID Pandemic has created additional issues, because the closures started prior to the end of the first quarter. The Village extended the deadline for using the carried vacation time. Because we are not able to allow many of our staff including police and fire departments to use vacation time until the pandemic crisis has passed; it is possible we will have issues at the end of the year with so many people trying to take vacation time. Employees have used about 300 less vacation hours this year than last year or about 10% less. The proposal is to allow staff to carry no more than eight weeks of vacation at any one time and use the time with Supervisor Approval. Discussion ensued of managing the time off, tracking, and practicability. Discussion ensued that the banked vacation time would be at a different rate of pay than earned.**

**Motion (Zabel/Kaminski) to recommend forty hours to be carried over and used by the end of the year instead of first quarter. Motion carried unanimously.**

**OLD BUSINESS:**

**None.**
