MEETING MINUTES
October 16, 2018**

CALL TO ORDER: The meeting was called to order at 6:00 p.m. by Chairperson Zabel.

ROLL CALL: Present: Chairperson Zabel, Trustee Members: Kaminski, Miller, and Baum. Also present: Administrator Kreklow, Clerk Boldrey, Finance Director Rath.

APPROVAL OF MINUTES: September 18, 2018 – **MOTION (Kaminski/Baum) to approve.**
Motion carried unanimously.

PUBLIC COMMENT: No public comment.

NEW BUSINESS:

A. Set Salary of Fire Chief.

Administrator Kreklow commented his recommendation is for the salary to remain at the existing level. The Police & Fire Commission did require that he apply for the National Fire Officers Academy School. The application process begins in June of 2019. This is a four-year program. The enrollment is an intense process. As stages are completed would be a good idea to look at increases in salary and to look at incrementally. The program would be funded by the Village. It is not an expensive and subsidized by the Federal Government as part of FEMA. The program is only open to Fire Chiefs. It does require some travel to a facility in Virginia.

MOTION (Kaminski/Baum) to recommend Mr. Delain's Salary maintain at \$83,083 until he enrolls in the Executive Fire Office Program and then at that time increase to \$85,083.
Motion carried unanimously.

B. Resolution 78-2018, Close the Dark Store Loopholes, Stop the Shift.

Tr. Zabel brought from the League of Municipalities. MOTION (Miller/Kaminski) to recommend the Resolution 78-2018, Close the Dark Store Loopholes, Stop the Shift. Motion Carried, Baum voted no.

D. Health and Dental Plan Renewal Changes.

Director Rath reviewed the changes in the packet for the Health, Dental, and Prescription Changes. The changes have been made periodically about four years ago. Prescription changes included generics. The deductible has not been changed for five years. Director Rath is looking into transplant care. The Village is competitive with other communities.

MOTION (Baum/Miller) to approve the changes as recommended. Motion carried unanimously.

COMMITTEE ACTION

Everyone's situation is different and you may want to consult a tax advisor before making a decision. The [Roth Analyzer](#) will help you evaluate the benefit of making Roth contributions to your 457 plan. Ultimately, you may find that contributing a combination of pre-tax and Roth deferrals makes the most sense.

- [Begin using the Roth Analyzer](#)

How do I start making Roth contributions?

You should contact your employer or ICMA-RC to confirm that your plan permits Roth deferrals. Provided that you have already enrolled in the plan, you can use the [457 Deferred Compensation Plan Amount of Deferral Change Form](#) to start making Roth contributions.

- [Introduction to 457 Plan Roth Deferrals - A New Way for You to Save for a Secure Retirement](#)

When can I withdraw Roth assets from my 457 plan?

The same eligibility requirements that apply to other distributions from your 457 plan also apply to Roth assets in the plan.

For additional information, please review the [457 Plan Roth Provisions Employee Questions & Answers](#) document or contact ICMA-RC's Investor Services toll-free at 800-669-7400.

* Not available in all plans. Please check with your employer to confirm whether or not Roth deferrals are offered in your plan.

MEETING DATE: November 20, 2018

PLACEMENT New Business

ITEM TITLE: Contingency Wage Allocation

SUBMITTED BY: Steven R. Kreklow, Village Administrator

SUMMARY EXPLANATION:

After the allocation of contingency funds that covered an approximate wage increase of 1.5%, approved by the Village Board last winter, there is a remaining balance in the account of \$50,367 in the General Fund and approximately \$4,500 in each of the Utilities. This amount includes approximately \$34,000 that was set aside for potential use by the Fire Department and \$16,367 that was set aside for employee pay.

The Village is on track to complete a financially successful year. Due to higher than expected revenues and careful management of budgeted funds, the we are anticipating a year-end surplus of at least \$300,000. Every Village department is contributing to that surplus by spending less than their authorized budgets.

In addition, Village staff have successfully worked through numerous significant operating challenges, including multiple new infrastructure construction projects, management of extensive new development, relocation of recreation programs due to school referendum construction, property re-valuation and others including turnover in several key management and staff positions.

In recognition of overall high performance for the year, I am recommending that the Village Board use a portion of contingency funds for year-end lump sum bonuses for general village employees. Using a lump sum bonus approach helps the Village to future budgets since the amount of the award is not built into the employees' base wages.

The Village Board could award one-time payments of 0.5% or 1.0%. The maximum bonus at 1.0% would be \$1,017, while the maximum bonus at 0.5% would be \$508. The total cost of a 1.0% bonus for general employees would be about \$37,260 and the cost for a 0.5% bonus would be \$18,630. A portion of those costs would be paid for out of Sewer and Water utility funds.

In addition, the Village Board could provide represented public works employees with a lump sum bonus of 0.34%. For 2018 represented public works employees received 1.5% pay increase. The total cost of this bonus would be \$4,490.

The total cost of a 1.0% bonus for general employees and a 0.34% bonus for represented public employees would be about \$38,000 for General Fund and \$3,800 from the Sewer and Water utilities.

ATTACHMENT: ORDINANCE ____ RESOLUTION ____ OTHER _

RECOMMENDATION:

Approve a lump sum bonus of 1.0% or 0.5% for general Village employees and a 0.34% lump sum payment for represented public works employees.

To: General Government and Finance Committee

From: Deanna Braunschweig

Date: November 20, 2018

Regarding: November 6, 2018, General Election

Chairperson Zabel requested that I report on the November 6th election.

Of the 13,023 registered voters in the Village of Germantown 11,353 came to the polls to cast votes. There were 8,156 voters at the polls, and 3,197 absentee voters.

On election day there were 880 same day registrations. These registrations include voters that are new, have had a name change or that have moved.

After the election, there are 13,698 registered voters.

I am very thankful and humbled by the strong teams of election workers at each polling location. I held three training sessions and each session was largely attended.

In addition, each department at the Village had a part in assisting in the election processes, from the DPW department setting up and taking down the poll locations to the Police Department for checking each location at the end of the night. Thank you.

If needed there will be a Primary on February 19, 2019.

There will be Spring Election on April 2, 2019.
